

Horse Sets (1974 – 1981)

Set 1 (1974)

	Horse		Foal, standing		Foal, lying down
--	-------	--	----------------	--	------------------

Set 2 (1978)

	Horse		Foal, trying to stand up		Foal, lying down
--	-------	--	--------------------------	--	------------------

Two Horse Sets were produced, one in 1974 and the other in 1978. They each included a farm cart horse with two foals, ranging from approximately 1 ½” for the foal to about 2 ¾” for the horse. These were similar to, but larger than, the popular Whimsies.
