

“Disney’s” Series

Disney Reissues (1981 - 1987)

| | | | | | | | |
|--|-----------------------------------------------------------------------|--|-----------------------------------------------------------------------|--|----------------------------------------------------------------------------|--|----------------------------------------------------------------------------|
| | Peg (hair fringe is “beige” instead of “blonde”) | | Lady (no change) | | Jock (mouth is now “pink” instead of “purple”) | | Scamp (ears are now “pink” instead of “mauve”) |
| | Dachsie (no change, other than to the spelling of his name) | | Bambi (eyes are now “light brown” rather than “dark brown”) | | Thumper (flower is now “light orange” rather than “dark orange”) | | Tramp (new mold, sitting; similar to the 1961 “Blow-up” version) |

For any of these minor changes, it is very difficult to recognize the differences unless you have the two pieces beside each other.
